

English Activity: Cross-search

Here are some definitions of the words related to our exhibition. Write your answer then find them in the wordsearch puzzle.

The number of letters in each word is a clue!

1. A weapon with a long metal blade (sharp cutting part) and a handle. (5)

2. A tool used for chopping up wood, cutting down trees, etc. (3)

3. Something that is built over a road, railway or river so that people and cars can cross from one side to the other. (6)

4. A piece of jewellery that you wear on your finger, consisting of a round band of precious metal, and sometimes decorated with special stones. (4)

5. A small flat piece of metal used as money. (4)

6. A small statue of a person or an animal. (8)

7. A large animal with four legs, a mane and a tail. People ride them and use them to pull carriages. (5)

8. An animal with a long tail, that climbs trees and lives in hot countries. They are quite similar to humans. (6)

9. An animal with four legs and a tail which are often kept as pets. They can also be trained to hunt or guard buildings. (3)

10. Metal tools used for opening and closing doors, locks and cars. (4)

The wordsearch is on the next page. The words go backwards, forwards and diagonally.

G	E	F	W	G	R	S	G	U	I	G	M	I	M
